***HOW YOU CAN HELP?***

***LOOK INSIDE ➔***

**H**ow many times do you hear stories of people who were fortunate to get in on the ground floor of a breaking new financial opportunity? Many times the financial investments we make are simply a matter of being in the right place at the right time. How about an investment with returns not measured by dividends or stock options but rather by the potential to change lives?

Would you be interested in making an investment in the lives of college students? College students face many challenges on a daily basis. The Wesley Fellowship, a campus ministry created by the United Methodist Church provides an opportunity for our church to raise up a new generation of Christians with the potential to lead and who could share with others the unconditional acceptance and love of God available in Jesus Christ.

The Wesley Fellowship of NTCC offers students a "home away from home" if only for an hour. It is a place where college students can get support from one another; participate in worship experiences, mission trips, a music ministry and more while growing in their faith.

A great idea that will demonstrate your belief in this project, in our church leaders of tomorrow and one that will assist our organization in growing is through the purchase of "shares" in the Fellowship. Shares in the NTCC Wesley Fellowship are available for

\$50.00. We are striving to gain support for the fall and spring semesters. For a mere \$50 gift per year (\$25 per semester), you could be a stockholder in this important venture God is leading. Please consider making a gift to this worthwhile and life-shaping endeavor. It's the chance of a lifetime.

Please make your gift through your church office. A stock certificate will be issued in your name and the dividends you will receive will be felt daily as God will continue to bless you and the NTCC Wesley Fellowship.

Thank you and God bless you for your support!
