

A project for yarn people

Commit to create something during the sessions of Annual Conference to give away

If you're a multi-tasking yarn person attending the sessions of the Texas Annual Conference of the UMC, please consider using the time we're sitting to knit or crochet something to give away. You can 1) create something to give to a ministry of your choice or 2) create 12"x12" or 6"x6" or 3"x3" squares that can be sewn together for blankets for the Star of Hope Mission. Please email your commitment or post on my Facebook wall at facebook.com/slbuchanan. Please leave squares at the Perkins display table. If you have questions, please call 832-984-0041 or email me at the address below.

May 29 – June 1, 2011
